Will-O'-the-Wisp in the Wetland Preserve

This fun Halloween celebration is an interactive and educational experience for children ages 2-8. Begin your adventure with a train ride from the Environmental Center to the boardwalk at the Wetland Preserve. Once there, Trick-or-treaters will hear animal sounds and see night creatures as they stroll along the boardwalk gathering candy. Nature Interpreters along the way will have nocturnal animal facts to share.

Play fun Halloween games, decorate a cookie, make s'mores, listen to a storyteller, and enjoy some hot cider! Please come in costume and bring a flashlight or lantern.
